

**RICH
LAB**

Coming Soon... Positions Available!

I am thrilled to be joining the outstanding faculty in the Department of Neuroscience at Icahn School of Medicine at **Mount Sinai** in Spring 2017

Come join us!

Mount Sinai has a spectacular location on the Upper East Side, New York, NY

Post-doc and **graduate student** positions are available starting May 2017 to study the neural mechanisms of reward, expectation and decision-making.

Please ask for more info, or contact me at erin.rich@berkeley.edu
